FOUR STROKE MOTORCYCLE OIL

QUADRA 4T SAE 10W-40

GRANTT QUADRA 4T SAE 10W-40 is an advanced four-stroke motorcycle oil formulated to improve clutch performance and provide engine protection, even under the most extreme temperatures in high-speed riding conditions.

GRADE	SAE 10W-40
PERFORMANCE STANDARD	API SM, JASO MA2
PACK SIZE	1L

BENEFITS

- Enhanced lubrication for engine, clutch and gear.
- Exceptional friction characteristics for optimum clutch performance.
- Outstanding shear stability to protect from oil breakdown at high temperature.
- Excellent thermal stability to resist deposit formations and oil thickening under high temperature conditions.
- Helps prolong engine life.

QUADRA 4T SAE 10W-40

GRANTT QUADRA 4T SAE 10W-40 is a high quality four-stroke motorcycle oil formulated for modern and high-performance motorcycles. Formulated with the latest additives technology to deliver exceptional engine protection and performance in all riding conditions.

GRADE	SAE 10W-40
PERFORMANCE STANDARD	API SM, JASO MA2
PACK SIZE	1L

BENEFITS

- Outstanding wear protection for longer service life of engine, clutch and gear.
- Superior thermal stability to protect highly stressed components and maintain consistent oil pressure and shear stability.
- Balanced friction characteristics for optimum clutch performance.
- Maintains engine cleanliness.

QUADRA 4T SAE 40

GRANTT QUADRA 4T SAE 40 is a specially designed four-stroke motorcycle oil formulated to provide excellent wear protection and resistance to viscosity and thermal breakdown at high temperatures.

GRADE	SAE 40
PERFORMANCE STANDARD	API SE/CC
PACK SIZE	1L

BENEFITS

- Ensure superior deposits control and minimized engine wear and tear.
- Provides excellent lubrication at all riding conditions.
- Good protection for engine, clutch and gear.
- Maintains engine cleanliness.

QUADRA 4T SAE 10W-40

GRANTT QUADRA 4T SAE 10W-40 is a premium four-stroke motorcycle oil formulated to provide exceptional engine protection and performance, even under the most extreme temperatures in high-speed riding conditions.

GRADE	SAE 10W-40
PERFORMANCE STANDARD	API SM, JASO MA2
PACK SIZE	1L

BENEFITS

- Optimized wet-clutch performance by reducing excess heat and friction.
- Excellent detergency to provide reliable protection, cleanliness and smoother-running engine.
- Reliable thermal and shear resistance to prevent oil thickening and piston deposits under high temperature conditions.
- Helps prolong engine life.

QUADRA 4T SAE 20W-40

GRANTT QUADRA 4T SAE 20W-40 is a high quality four-stroke motorcycle oil specially formulated to provide extra protection for modern and high-performance motorcycle engines operating under hot climates and extreme riding conditions.

GRADE	SAE 20W-40
PERFORMANCE STANDARD	API SE/CC
PACK SIZE	1L

BENEFITS

- Superior shear resistance due to high viscosity.
- Excellent thermal and oxidation stability to ensure the best engine performance.
- Good protection against friction and wear of engine.
- Maintains engine cleanliness.

TWO STROKE MOTORCYCLE OIL

QUADRA 2T

GRANTT QUADRA 2T is a two-stroke motorcycle oil formulated with a unique additive package to meet the demands of modern engines. Delivers superior performance, protection and cleanliness under all riding conditions.

GRADE	2T
PERFORMANCE STANDARD	API TA
PACK SIZE	1L

BENEFITS

- Ensures superior deposits control to maintain engines cleanliness.
- Provide excellent lubrication at all riding conditions.
- Helps prolong engine life.
- Minimizes exhaust smoke.
