GRANTT LITHIUM MP EXTRA GREASE

Product Description

GRANTT LITHIUM MP EXTRA GREASE is high quality multi-purpose grease which formulated with paraffinic mineral base oils and thickened with lithium soap. It offers excellent oxidation stability, rust and corrosion protection and water resistance performance in a wide operating range.

Application

GRANTT PREMIUM LITHIUM COMPLEX GREASE is recommended for use in a variety range of automotive and industrial applications, industrial ball and roller bearing, rolling element bearing which working under moist and moderate conditions. The recommended operating temperature range is -15°C to +130°C.

Benefits

- Multi-use grease for a wide range of applications
- Provide long lasting protection to components
- Excellent oxidation, rust and corrosion resistance characteristics
- Good water resistant

Specifications

NLGI 2

Typical Properties

Test	Method	Limiting Value	Typical Results
NLGI Grade			2
Texture	Visual	Smooth	Smooth
Colour	Visual	Yellow	Yellow
Dropping Point, °C	ASTM D566	180 min	197
Unworked Penetration @ 25°C, mm/10	ASTM D217	Report	277
Worked Penetration @ 25°C, mm/10	ASTM D217	265-295	272
