QUADRA

MOTORCYCLE OIL

Developed for immediate engine response
for maximum performance

FULLY SYNTHETIC

QUADRA RACING 4T SAE 10W-50 FOUR-STROKE MOTORCYCLE OIL

GRANTT QUADRA 4T RACING SAE 10W-50 is a fully synthetic oil with patented **ester technology** specially designed for a very high performance four-stroke motorcycle engine. Its formula ensures optimum performance and protection for all engine components especially on the clutch and gearbox under high temperature and high engine speed condition. Its unique technology meets the toughest industry performance standard, performs excellently on the road and proven in racing applications.

BENEFITS

- Enhanced lubrication for engine, clutch and gears.
- Exceptional friction characteristics for optimum clutch performance.
- Outstanding shear stability to protect from oil breakdown at high temperature.
- Excellent thermal stability to resist deposit formations.
- Helps prolong engine life.

GRADE: SAE 10W-40 • SPECIFICATIONS: API SN, JASO MA2 • PACK SIZE: 1L

NEW

QUADRA 4T SAE 10W-40 FOUR-STROKE MOTORCYCLE OIL

GRANTT QUADRA 4T SAE 10W-40 is a unique, fully-synthetic oil designed for four-stroke motorcycle engine oils. Formulated with the advanced additive technology to provide better clutch performance and smoother gear changes even under the most extreme temperatures in high-speed riding conditions.

BENEFITS

- Enhanced lubrication for engine, clutch and gears.
- Exceptional friction characteristics for optimum clutch performance.
- Outstanding shear stability to protect from oil breakdown at high temperature.
- Excellent thermal stability to resist deposit formations.
- Helps prolong engine life.

GRADE: SAE 10W-40 • SPECIFICATIONS: API SN, JASO MA2 • PACK SIZE: 1L

SYNTHETIC BLEND

QUADRA 4T SAE 10W-40 FOUR-STROKE MOTORCYCLE OIL

GRANTT QUADRA 4T SAE 10W-40 is a premium four-stroke motorcycle oil formulated to provide exceptional engine protection and performance, even under the most extreme temperatures in high-speed riding conditions.

BENEFITS

- Optimized wet-clutch performance by reducing excess heat and friction.
- Excellent detergency to provide reliable protection, cleanliness and smoother-running engine.
- Reliable thermal and shear resistance to prevent oil thickening and piston deposits under high temperature conditions.
- Helps prolong engine life.

GRADE: SAE 10W-40 • SPECIFICATIONS: API SM, JASO MA2 • PACK SIZE: 1L

MINERAL

QUADRA 4T SAE 15W-50 FOUR-STROKE MOTORCYCLE OIL

GRANTT QUADRA 4T SAE 15W-50 is designed for all types of 4-stroke gasoline motorcycle engines including on road, high performance, four-cycle sport bikes and other type of 4-stroke cycle motorcycles which require SAE 15W-50 viscosity grade. It is suitable for use in both air-cooled and liquid-cooled engines.

BENEFITS

- Thermally stable formula to maintain and protect engines under high RPMs and high temperature conditions.
- Enhanced anti-wear properties to reduce damaging wear and increased engine life.
- Offers excellent engine cleanliness, controlling sludge and engine deposits.
- Optimum friction control for maximum power transfer, smooth gear shifting, and better protection of the wet clutch.
- JASO MA2 approval ensures that the oil will work perfectly with wet multi-disc clutches.

GRADE: SAE 15W-50 • SPECIFICATIONS: API SM, JASO MA2 • PACK SIZE: 1L

QUADRA 4T SAE 20W-40 FOUR-STROKE MOTORCYCLE OIL

GRANTT QUADRA 4T SAE 20W-40 is suitable for use in all Japanese and European 4-stroke motorcycles.

BENEFITS

- Superior shear resistance due to high viscosity.
- Excellent thermal and oxidation stability to ensure the best engine performance.
- Good protection against friction and wear of engine.
- Maintains engine cleanliness.

GRADE: SAE 20W-40 • SPECIFICATIONS: API SJ, JASO MA • PACK SIZE: 1L

MINERAL

QUADRA 4T SAE 40 FOUR-STROKE MOTORCYCLE OIL

GRANTT QUADRA 4T SAE 40 is suitable for use in all Japanese and European 4-stroke motorcycles.

BENEFITS

- Ensure superior deposits and minimized engine wear and tear.
- Provides excellent lubrication at all riding conditions.
- Good protection for engine, clutch and gears.
- Maintains engine cleanliness.

GRADE: SAE 40 • SPECIFICATION: API SG • PACK SIZE: 1L

NEW

QUADRA 2T TWO-STROKE MOTORCYCLE OIL

GRANTT QUADRA 2T ULTRA GREEN is a low ash mineral motorcycle engine oil specially formulated for 2-stroke engines.

BENEFITS

- Enhanced formula to reduce exhaust smoke level.
- Superior piston and cylinder lubrication to maintain engine efficiency.
- Excellent anti-wear and corrosion protection for longer engine life.
- Good thermal and oxidation stability.

GRADE: 2T • SPECIFICATION: API TA • PACK SIZE: 1L

QUADRA 2T TWO-STROKE MOTORCYCLE OIL

GRANTT QUADRA 2T is suitable for standard air-cooled 2 stroke engines.

BENEFITS

- Ensures superior deposits control to maintain engines cleanliness.
- Provides excellent lubrication at all riding conditions.
- Helps prolong engine life.
- Minimizes exhaust smoke.

GRADE: 2T • SPECIFICATION: API TA • PACK SIZE: 1L
