PREMIUM MARINE OUTBOARD

GRANTT PREMIUM MARINE OUTBOARD is a premium, ashless two-stroke engine oil specially designed for use in most 2-stroke water-cooled outboard engines and air-cooled engines experiencing long operation, high load and constant throttle.

GRANTT PREMIUM MARINE OUTBOARD meets the latest requirements of National Manufacturers Association (NMMA) in TC-W3 specification.

BENEFITS

- ✓ **Unique "Ashless 2T" formulation** provides outstanding detergency for engine cleanliness and protection over the whole engine lifetime by preventing spark plug fouling, ring sticking, pistons and exhaust system deposits.
- ✓ **Excellent rust protection** during extended storage periods.
- ✓ **Enhanced lubricity** to prevent piston and cylinder scuffing, wear and corrosion.
- ✓ **Low smoke** for 2-stroke boat and motorcycle oil.

SPECIFICATION

- National Marine Manufacturers Association (NMMA) TC-W3
