

GRANTT PREMIUM LITHIUM COMPLEX GREASE

Product Description

GRANTT PREMIUM LITHIUM COMPLEX GREASE is premium quality multi-purpose grease which formulated with paraffinic mineral base oils and thickened with lithium complex soap. It contains latest additives to enhance its extreme pressure antioxidant, anti-wear, anti-corrosion and anti-rust properties in a wide variety of applications and severe operating conditions.

Application	GRANTT PREMIUM LITHIUM COMPLEX GREASE is recommended for use in automotive and industrial applications which operating at high temperature condition, industrial ball and roller bearing, rolling element bearing applications in moist environment and multi-purpose applications. The recommended operating temperature range is -15°C to +180°C.
--------------------	---

Benefits	<ul style="list-style-type: none">• Excellent mechanical stability under high temperature and high load conditions• Excellent extreme pressure and anti-wear properties• Excellent oxidation, corrosion and rust protection• Good water resistant in moist environment• High dropping point• Multi-purpose usage in a wide range of application
-----------------	--

Specifications

- NLGI 2

Typical Properties

Test	Method	Limiting Value	Typical Results
NLGI Grade			2
Texture	Visual	Smooth	Smooth
Colour	Visual	Yellow	Yellow
Dropping Point, °C	ASTM D566	270 min	277
Unworked Penetration @ 25°C, mm/10	ASTM D217	Report	292
Worked Penetration @ 25°C, mm/10	ASTM D217	265-295	288
