MULTI-PURPOSE FOOD GRADE GREASE

NLGI 2

PRODUCT DESCRIPTION

Formulated with proprietary food-based additives, environmentally-friendly green-based oil and aluminium complex thickener with excellent heat reversion characteristics, **GRANTT MULTI-PURPOSE FOOD GRADE GREASE** is a biodegradable and non-toxic grease specially designed for universal greasing application in food and beverage processing machinery.

APPLICATION

GRANTT MULTI-PURPOSE FOOD GRADE GREASE is designed for industries where there is a risk for incidental food. These industries include the food and beverage industry, pharmaceutical, cosmetic, meat, poultry and feed industries, dairy products, agriculture, food packaging, pharmaceutical and more.

Machinery whose operation has the potential to contaminate food:

- Bakery equipment
- Wrapping machines
- Bottling machines
- Various machinery grease fittings
- Food processing equipment
- Conveyor roller bearings
- Pumps

BENEFITS

- Safe with incidental food contact
- Enhanced production efficiency
- Aluminium complex grease
- High dropping point
- Stable at high temperature
- Safe for environment
- Extend equipment lifecycle
- Excellent oil separation
- Biodegradable & non-toxic

PERFORMANCE STANDARDS

GRANTT MULTI-PURPOSE FOOD GRADE GREASE meets the requirements of

- DIN 51825
- OECD 301B
- OECD 201, 202 & 203

Please follow original equipment manufacturers fluid recommendations.

PACK SIZE : 400g (14.1oz)
