

# KEEP ON CRUISING WITH GRANTT

Give your cruiser the ultimate power it deserves to keep on performing, **Quadra Motorcycle Oil by GRANTT** is formulated to ensure your motorcycle engine is maintained and protected, even during long rides in harsh weather conditions.

**Quadra by GRANTT**, is designed to keep your motorcycle at its peak performance with optimum efficiency.

# QUADRA MOTORCYCLE OIL

DEVELOPED FOR IMMEDIATE ENGINE RESPONSE  
FOR MAXIMUM PERFORMANCE

PREMIUM PRODUCT BY

## FULLY SYNTHETIC

### QUADRA 4T RACING 4T

GRADE SAE 10W-50

**GRANTT QUADRA 4T RACING SAE 10W-50** is a fully synthetic oil with patented ester technology specially designed for a very high performance four-stroke motorcycle engine. Its formula ensures optimum performance and protection for all engine components especially on the clutch and gearbox under high temperature and high engine speed condition. Its unique technology meets the toughest industry performance standard, performs excellently on the road and proven in racing applications.

#### BENEFITS

- High shear stability provides viscosity retention at all riding conditions and helps to maintain power and longer engine life
- Its high lubricity helps to minimize friction, wear and tear in the engine
- High performance base oil technology offers excellent low emission, volatility control and longer drain intervals
- Optimized wet-clutch performance
- Ultimate protection during cold engine start-up
- Excellent detergency to provide reliable protection, cleanliness and smoother-running engine
- Excellent seal compatibility

**SPECIFICATIONS** • API SN • JASO MA2 **PACK SIZE** 1L

### QUADRA 4T

GRADE SAE 10W-40

**GRANTT QUADRA 4T SAE 10W-40** is a unique, fully synthetic oil designed for four-stroke motorcycle engine oils. Formulated with the advanced additive technology to provide better clutch performance and smoother gear changes even under the most extreme temperatures in high-speed riding conditions.

#### BENEFITS

- Enhanced lubrication for engine, clutch and gears
- Exceptional friction characteristics for optimum clutch performance
- Outstanding shear stability to protect from oil breakdown at high temperature
- Excellent thermal stability to resist deposit formations
- Helps prolong engine life

**SPECIFICATIONS** • API SP • JASO MA2 **PACK SIZE** 1L

## SEMI SYNTHETIC

### QUADRA 4T

GRADE SAE 10W-40

**GRANTT QUADRA 4T SAE 10W-40** is a premium synthetic blend oil designed for four stroke motorcycle engine oils. Formulated with the advanced additive technology to provide better clutch performance and smoother gear changes even under the most extreme temperatures in high-speed riding conditions.

#### BENEFITS

- Optimized wet-clutch performance by reducing excess heat and friction
- Excellent detergency to provide reliable protection, cleanliness and smoother running engine.
- Reliable thermal and shear resistance to prevent oil thickening and piston deposits under high temperature conditions
- Helps prolong engine life

**SPECIFICATIONS** • API SP • JASO MA2 **PACK SIZE** 1L

### SCOOTER OIL

GRADE SAE 10W-40

**Grantt Quadra 4T SAE 10W-40 Scooter** is a synthetic blend engine oil designed specifically to meet today's air-cooled and liquid-cooled four-stroke scooter engines with automatic gear transmission system. A special friction modifier additive package provides consistent viscosity protection in both engine and transmission to ensure smooth clutch operation during severe riding conditions.

#### BENEFITS

- Its exceptional shear stability provides retention viscosity at all riding conditions
- Outstanding anti-wear and friction modifier properties offers longer service life of gear and clutch system
- Excellent lubrication at high and low operating temperature
- Excellent detergency to provide reliable protection, cleanliness and smoother running engine
- Additional protection in both engine and transmission system to ensure smooth running

**SPECIFICATIONS** • API SM • JASO MB **PACK SIZE** 1L

### QUADRA 4T

GRADE SAE 15W-50

**GRANTT QUADRA 4T SAE 15W-50** is a mineral based, 4-stroke high performance engine oils designed for all demanding motorcycles and applications which require API SM and JASO MA2 performance level. A powerful combination of additives and high quality base oils provide protection under extreme temperatures, high RPM and load conditions. It is extremely resistant to volatility and is engineered to prevent damaging sludge and carbon deposits for superior engine cleanliness. Ideal for wide range of application from modern motorcycles with fuel injection system, high performance motorcycles and big bikes which require extra protection.

#### BENEFITS

- Thermally stable formula to maintain and protect engines under high RPMs and high temperature conditions
- Enhanced anti-wear properties to reduce damaging wear and increased engine life
- Offers excellent engine cleanliness, controlling sludge and engine deposits
- Optimum friction control for maximum power transfer, smooth gear shifting, and better protection of the wet clutch
- JASO MA2 approval ensures that the oil will work perfectly with wet multi-disc clutches

**SPECIFICATIONS** • API SM • JASO MA2 **PACK SIZE** 1L

### QUADRA 4T

GRADE SAE 20W-40

**GRANTT QUADRA 4T SAE 20W-40** is a high quality four-stroke motorcycle oil designed for use over a wide temperature range to give a good temperature variation control for modern and high performance motorcycle engines operating under hot climates and extreme riding conditions.

#### BENEFITS

- Superior shear resistance due to high viscosity
- Excellent thermal and oxidation stability to ensure the best engine performance
- Good protection against friction and wear of engine
- Maintains engine cleanliness

**SPECIFICATIONS** • API SJ • JASO MA **PACK SIZE** 1L

## PREMIUM MINERAL

### QUADRA 4T

GRADE SAE 40

**GRANTT QUADRA 4T SAE 40** is a specially designed for four-stroke motorcycle oil to protect against harmful sludge and varnish deposits. It is formulated to resist viscosity breakdown at high temperatures.

#### BENEFITS

- Ensure superior deposits and minimized engine wear and tear
- Provides excellent lubrication at all riding conditions
- Good protection for engine, clutch and gears
- Maintains engine cleanliness

**SPECIFICATION** • API SG **PACK SIZE** 1L

### QUADRA 2T

GRADE API TA

**GRANTT QUADRA 2T API TA ULTRA GREEN** with fragrance is a low ash mineral motorcycle engine oil specially formulated for 2-stroke engines to deliver excellent performance, protection and cleanliness in all weather condition.

#### BENEFITS

- Enhanced formula to reduce exhaust smoke level
- Superior piston and cylinder lubrication to maintain engine efficiency
- Excellent anti-wear and corrosion protection for longer engine life
- Good thermal and oxidation stability

**SPECIFICATIONS** • API TA **PACK SIZE** 1L

### QUADRA 2T

GRADE API TA

**GRANTT QUADRA 2T API TA** is a specially designed two-stroke motorcycle oil formulated with a unique additive package to meet the demands of modern engines.

#### BENEFITS

- Ensures superior deposits control to maintain engines cleanliness
- Provides excellent lubrication at all riding conditions
- Helps prolong engine life
- Minimizes exhaust smoke

**SPECIFICATIONS** • API TA **PACK SIZE** 1L

### OUTBOARD PREMIUM MARINE

GRADE SAE 20W-40

**GRANTT PREMIUM MARINE OUTBOARD** is a premium, ashless two-stroke engine oil specially designed for use in most 2-stroke water-cooled outboard engines and air-cooled engines experiencing long operation, high load and constant throttle. GRANTT PREMIUM MARINE OUTBOARD meets the latest requirements of National Manufacturers Association (NMAA) in TC-W3 specification.

#### BENEFITS

- Unique "Ashless 2T" formulation provides outstanding detergency for engine cleanliness and protection over the whole engine lifetime by preventing spark plug fouling, ring sticking, pistons and exhaust system deposits
- Excellent rust protection during extended storage periods
- Enhanced lubricity to prevent piston and cylinder scuffing, wear and corrosion
- Low smoke for 2-stroke boat and motorcycle oil

**SPECIFICATION** • TC-W3 **PACK SIZE** 1L
