FOOD GRADE BIO HYDRAULIC OIL VG 46

GRANTT FOOD GRADE BIO HYDRAULIC OIL VG 46 is a biodegradable hydraulic lubricant made from environmental friendly, green-based oil and food-safe additives. It is perfect and safe to be used in food and beverage processing machineries, where there might be direct or indirect incidental contact with food.

GRANTT FOOD GRADE BIO HYDRAULIC OIL VG 46 is Halal and NSF (Class H1) certified. This non-toxic oil is eco-friendly and does not accumulate in the environment, minimizing its impact in case of accidental spillage.

APPLICATIONS

FOOD GRADE BIO HYDRAULIC OIL VG 46 is recommended to use in vane, piston and gear hydraulic system where incidental food contact may occur.

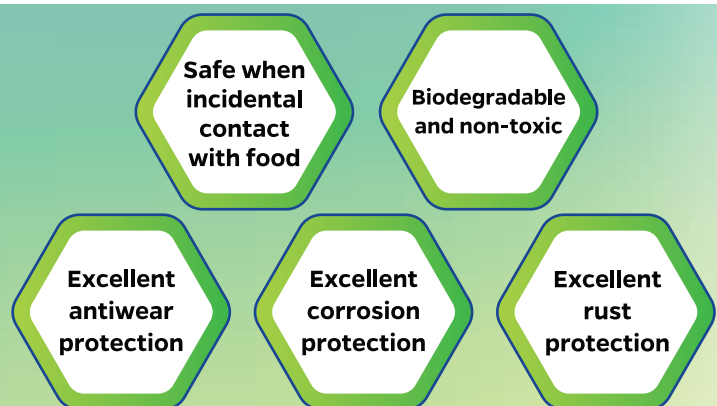

SPECIFICATIONS

GRANTT FOOD GRADE BIO HYDRAULIC OIL VG 46 meets the requirements of:

- ✓ Halal Certified
- ✓ NSF H1
- ✓ NSF ISO 21469
- ✓ ISO 15380: HETG (triglyceride)
- ✓ OECD 301B and OECD 201C
- ✓ DIN 51524-Part 2
- ✓ ASTM D943
