BIODEGRADABLE BIO VG 32 HYDRAULIC OIL

GRANTT BIO VG 32 HYDRAULIC OIL is a biodegradable formulated oil with plant-based and additives that provides excellent lubrication properties and is equivalent to conventional hydraulic oil. It meets ISO 15380 (HETG) requirement and is designed to give maximum protection in hydraulic equipment used in environmentally sensitive areas.

ECO-FRIENDLY PRODUCT

- ✓ Biodegradable in 28 days
- ✓ Non-bioaccumulative
- ✓ Non-toxic

SPECIFICATIONS

GRANTT BIO VG 32 HYDRAULIC OIL meets the requirements of:

- ✓ ISO 15380:HETG (triglyceride)
- ✓ ISO 20763
- ✓ OECD 301
- ✓ ASTM D943

PACK SIZES

- ✓ 18 LITRES PAIL
- ✓ 209 LITRES DRUM

BENEFITS

GRANTT BIO VG 32 HYDRAULIC OIL offers the following values:

- ✓ Excellent antiwear protection
- ✓ Excellent corrosion protection
- ✓ Excellent antifoam characteristics
- ✓ Excellent rust protection
- ✓ High thermal stability
- ✓ High oxidation stability
- ✓ Biodegradable and non-toxic
